

# How to get to Gryttjom and Stockholms Fallskärmsklubb

GPS-coordinates: N 60 17 18, E 017 25 30

## Directions

The drop zone is in a small village called Gryttjom. Directions from Stockholm City:

### By car:

Follow the E4 highway north towards Uppsala. Continue on the E4 towards Gävle. Approximately 45 kilometres north of Uppsala exit at "Månkarbo". Follow the Månkarbo signs and drive through the village. Approximately 3 minutes outside the village you will see the sign "Gryttjom". Nearly immediately after the sign turn left into a small road opposite a filling station/restaurant. The drop zone should be visible across the open field. Follow the road approx. 1km. Turn right (First right turn) into a gravel road marked "flygfält" which means airport or drop zone. Follow this for another kilometre until T-junction. Turn right again. The parking area is straight ahead about 100m.

### By train and bus:

1. From Stockholm Central Station take the train to Uppsala, 40 minutes.
2. Just outside the train station catch bus 821 towards "Tierp". (Timetable link). Ask the bus driver to let you off in "Gryttjom". About 45 minutes.
3. The bus will drop you off approximately 3 km from the drop zone. Your alternatives are to walk or you call the drop zone at 0293-502 51 (international +46-293-502 51) and ask if someone could collect you (usually this is no problem at all).

### From Arlanda Airport to the dropzone:

From Arlanda Airport you can catch the train named "Upptåget" which takes you directly to Tierp. In Tierp you catch bus 821 bound for Uppsala. Get off at Gryttjom (after 7 minutes). The bus will drop you off approximately 3 km from the drop zone. Your alternatives are to walk or you call the drop zone at 0293-502 51 (international +46-293-502 51) and ask if someone could collect you (usually this is no problem at all).
